It is the responsibility of the Pawnee C.U.S.D. #11 to identify and evaluate students who, within the intent of Section 504 of the Rehabilitation Act of 1973, need special services or programs in order that such students may receive the required free appropriate education.

A student who may need special services or programs within the intent of Section 504 is one who:

- Has a physical or mental handicap that substantially limits one or more major life activity, including learning, walking, seeing, hearing, speaking, breathing, working, caring for oneself, and performing manual tasks; or
- Has a record of such handicap; or
- Is regarded as having such handicap.

Students may be eligible for services under the provisions of Section 504 even though they do not require services pursuant to the IDEA.
