Interests or Hobbies: Travel!!

Cardinals/Cubs/Neither: Cardinals! Although my oldest son is a Cubs fan so I can't help but hope his team wins, plus I'm a big fan of Kris Bryant.

What has been the most difficult aspect of the COVID pandemic for you? The separation from some of my family members. Also, wondering if it's safe to visit them or should we wait. There are just so many unknowns.

What would you like to tell your students during this difficult time? Don't let the circumstances get you down. The best thing about a setback is the comeback. We will get through this.

What is the Best Part of Being a Teacher at Pawnee? As always the teachable moments.
