**What has been the most difficult aspect of the COVID pandemic for you?**  
Rescheduling all of the activities, sporting events, and hiring officials all over again.

**What would you like to tell your students during this difficult time?**  
Stay safe, healthy, social distance and wear a mask so we can get through this.

**What is the Best Part of Being a Teacher at Pawnee?** The many relationships that I have formed with school personnel and the influence I have had on the young adults at Pawnee.
