  - (b) Any teacher who commences participation in this benefit, but does not comply with or satisfy the provisions herein, including but not limited to completion of his/her remaining years of service following notice of retirement, shall reimburse the District for any increased salary benefit granted under this provision, including tax and pension withholdings. Upon complete reimbursement, the teacher shall be entitled to any general wage increase which would have been applicable to the teacher during the time period at issue; and
  - (c) Teachers should not rely upon the continuation of this retirement incentive award program in subsequent collective bargaining agreements. Unless the parties agree to continue this benefit in a subsequent collective bargaining agreement, it shall terminate upon the expiration of this agreement and will not be available to teachers who have not applied for the benefit prior to the expiration date of this agreement.
4. Retirement Revocation:
- In the event that a teacher has submitted his/her timely irrevocable letter of retirement, the teacher may withdraw the letter of retirement in the event of an illness or disability of the teacher or death, illness, disability of a teacher's spouse or child(ren). Employees on such leave may continue insurance benefits, if allowable by the insurance carrier, but employee must pay the full costs for such insurance.

Failure of the employee to notify the District of intention to return at least sixty days before the end of the school year or the semester prior to resuming duties will be considered as a resignation from continued contractual service, thereby removing the Board's obligation to reemploy. The Board will notify the employee, in writing, of said action.

The Board reserves the right to limit the number of employees that might use this option in any given school year.

## **5.6 ASSOCIATION LEAVE**

## **5.7 SICK LEAVE BANK**

1. The Board and the Association have established a Sick Leave Bank which certified staff may join on a voluntary basis. The purpose of the Bank shall be to provide extended paid sick leave for certified staff that have exhausted their personally accumulated sick leave and due to personal, spouse, or child(ren) serious illness, injury, surgery, and/or temporary disability requiring extended hospital or home confinement are unable to return to work. Short-term illnesses including normal pregnancy, parental leaves, and elective surgeries are not subject to the use of the following Bank provisions.

2. Any certified staff that is eligible for sick leave is entitled to join the Bank when he/she has eighteen(18) days of accumulated Sick Leave. Certified staff who choose to join the sick bank must do so in the first year of eligibility.
  - a. Eligibility — Any eligible certified staff must apply to join the Bank on or before September 15 and shall be given an application form at the beginning of the school year.
  - b. Resignation — Resignation from the Bank must be in writing to the Control Committee before September 15. Any member resigning will forfeit days donated to the Bank and will be ineligible for future benefits in the Bank.
  
3. A Control Committee shall be comprised of Association appointees. The Committee will design necessary forms, keep track of the number of days expended and on reserve, and will submit reports to the Superintendent as indicated by the Contract and Association Executive Board. Each member will serve one school year.
  - a. The Control Committee shall meet when necessary. The Control Committee may meet at the request of the Superintendent.
  - b. Resignation: When a Control Committee member must resign, the Association will appoint a new representative to complete the term of office.
  
4. Each teacher joining the Bank shall donate two (2) days in each of the first two years of membership to the Bank. In addition to these days, a member shall transfer the necessary maintenance days when needed. Any days transferred by the employee shall remain in the Bank. The Board shall not be liable for any days transferred and shall not contribute any days to the Bank.

Days remaining in the Bank at the end of the school year will determine the number of sick leave days that will be contributed to the Bank from the members' accumulated sick leave at the beginning of the following school year. Maintenance contributions will be made as follows:

120+ days in Bank  
120 — days in Bank

0 days will be contributed  
1 day will be contributed

5. Any certified staff requesting to use Bank days must have exhausted his/her personally accumulated sick leave and personal leave days and have made a written application to the Committee for withdrawal of days from the Bank. Should the employee be unable to make an application, his/her designee may do so on his/her behalf. The application shall state the reason for inability to return to work, along with a physician's statement specifying the nature of the employee's illness or that of employee's spouse or child(ren). The application shall also state the number of days requested to be used from the Bank.
  - a. Physician's Statement — The physician's statement must contain beginning date of illness, cause of illness, and expected duration of illness.
  - b. Written Report — When an application for use of Bank days is considered, a written acceptance or rejection report will be sent to the applicant, and a copy of the report will be filed with the Superintendent.
  - c. Appeal — If an application is considered and rejected, the applicant will have the right to appear in person to request an appeal. However, the Control Committee will make the final decision.
6. The Control Committee shall determine the number of days to be granted in each individual application. Certified staff who have been a member of the Bank for less than one year may withdraw a maximum of 25 days. Certified staff who have been a member of the Bank for one to three years may withdraw a maximum of 50 days. Certified staff who have been a member of the Bank for four or more years may withdraw a maximum of 150 days. If a member draws benefits under TRS for disability, the member shall not be eligible to draw benefits from the Bank.
7. An initial five (5) year period will begin the day the member uses the first day from the Bank and will end on the five (5) year anniversary date of the first withdrawal. During this five (5) year period, the member may only use one hundred-fifty (150) total days. After the expiration of the initial five (5) year period, members are again eligible to draw to a maximum of one hundred-fifty (150) days for an additional five (5) year period. The additional five (5) year period will begin on the date of the first withdrawal and end on the five (5) year anniversary date. Thereafter, the member will be eligible for another five (5) year period until the employee is no longer a member of the Bank or employed by the school district.

## **VI. GRIEVANCE PROCEDURE**

### **6.1 DEFINITION**

A grievance shall mean a written complaint by a member of the bargaining unit or the Association that there has been an alleged violation, misinterpretation or misapplication of the specific provisions of this Agreement.

### **6.2 PURPOSE**

Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures, the purpose of which is to secure, at the lowest possible administrative level, equitable solutions to valid grievances which may arise. The Association shall have the right to present grievances when a class action involving two or more members of the bargaining unit is in dispute.

### **6.3 REPRESENTATION**

The grievant has the right to representation of choice in the grievance procedure. The grievant shall be present at all grievance discussions unless the Board, Association and the grievant mutually agree that the grievant's presence is not desirable or necessary. When the presence of the grievant at a grievance hearing is required by either party, illness or incapacity of the grievant shall be grounds for any necessary extension of grievance procedure time limits.

### **6.4 TIME LIMITS**

A grievance must be filed within twenty (20) days of the occurrence or when the grievant should have reasonably known of the occurrence of the event which gave rise to the grievance. The number of days indicated at each step in the procedure shall be considered as the maximum allowable to the parties, and every effort shall be made to resolve the grievance as rapidly as possible. All time limits consist of school days, except where noted or when a grievance is submitted fewer than ten (10) days before the close of the current school term; then time limits shall consist of all week days and shall be doubled.

### **6.5 PROCEDURES**

The parties acknowledge that it is usually most desirable for a teacher and the teacher's immediate supervisor to resolve problems through informal and free communications. Therefore, before a grievance is filed, the claimant shall discuss the claim with the most immediate supervisor. If, however, the informal process fails to satisfy the teacher, a grievance may be processed in the following manner, and the grievant may be accompanied by a representative of choice:

**STEP ONE**

The teacher or the Association shall file the grievance in writing with the immediate supervisor, who shall certify by signature the date the grievance was received. This certification shall be witnessed by the grievant. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the Agreement which are applicable, and shall state the remedy requested. The supervisor shall arrange for a meeting to take place with the grievant within five (5) days after receipt of the grievance. The supervisor shall make a decision on the grievance and communicate it in writing to the grievant and the Superintendent within five (5) days of the meeting.

**STEP TWO**

In the event the grievance has not been satisfactorily resolved at Step One, the grievant shall file a copy of the grievance with the Grievance Committee of the Association within ten (10) days of receipt of the Step One written decision. If the Grievance Committee feels that the grievance has merit, the grievant shall file, within twenty (20) days of receipt of the Step One written decision, a copy of the grievance with the Superintendent. Within ten (10) days after receipt of the written appeal, the Superintendent shall respond in writing to the grievant and the Association Grievance Committee giving a decision, including reasons if the appeal is denied.

**STEP THREE**

If the grievance is not satisfactorily resolved at Step Two, the grievance may proceed to binding arbitration. The Association may submit to the Superintendent a written request on behalf of the Association and the grievant to enter into binding arbitration. If a demand for binding arbitration is not filed within thirty (30) days of receipt of the Step Two decision, then the grievance shall be deemed withdrawn. Arbitration proceedings shall be conducted by an arbitrator to be selected by the two parties through mutual selection or from a roster of arbitrators provided by the American Arbitration Association.

Within seven (7) days after the Association requests binding arbitration, the two parties will request the American Arbitration Association provide a panel of seven (7) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one name shall remain. The remaining name shall be the arbitrator. Expenses for the arbitrator's services shall be borne equally by the District and the Association.

The decision of the arbitrator shall be final and binding on the parties. The arbitrator, in his or her opinion, shall not amend, modify, nullify, ignore or add to the provisions of the Agreement. The arbitrator's authority shall be strictly limited to deciding only the issue or issues presented to him or her in writing by the District and the Association and his or her decision must be based solely and only upon his or her interpretation of the meaning or application of the expressed relevant language of the Agreement. The Board and the Association shall not be permitted to assert in these arbitration procedures any grounds or to rely on any evidence not previously disclosed to the other party.

## 6.6 ADDITIONAL ITEMS

- A. **BYPASS**—By mutual agreement, any step of the grievance procedure may be bypassed. Grievances relating to decisions of the Superintendent or the Board of Education shall be initiated at Step Two of the procedure.
- B. **WITHDRAWAL**—A grievance may be withdrawn at any level without establishing a precedent.
- C. **SETTLEMENT**—By mutual agreement, a grievance may be settled at any step without establishing precedent.
- D. **COSTS OF ARBITRATION**—The fees and the expenses of the arbitrator shall be shared equally by the parties. The parties shall each be responsible for the costs of their own representation. If only one party requests the presence of a court reporter, that party shall bear the costs of the reporter. If only one party requests the postponement of an arbitration hearing, that party shall bear the costs of such postponement.
- E. **COOPERATION**—The District and the Association shall cooperate in the investigation of any grievance.
- F. **HANDLING OF GRIEVANCE**—Any investigation or other handling or processing of any grievance by the grievant or the Association shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grievant or of the District's employees. However, if during grievance proceedings bargaining unit members are required to be present during the regular work day, these employees shall be released without loss of pay or benefits.

- G. **BAR TO APPEAL**—Failure of a grievant or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits may be extended by mutual agreement.
  
- H. **OTHER COMPLAINTS**—If the Association or any employee files any claim or complaint in any forum other than under the grievance procedure of this Agreement, then the District shall not be required to process this same claim or set of facts through the grievance procedure.
  
- I. **NO REPRISAL**—No reprisals shall be taken by the District against any teacher because of the filing, participation or refusal to participate in a grievance.

## **VII. NEGOTIATIONS PROCEDURE**

### **7.1 GOOD FAITH BARGAINING**

Both parties agree to negotiate in good faith. "Good faith" shall mean that the parties shall confer at reasonable times and reasonable places with the purpose of making proposals and counterproposals to reach a collectively bargained agreement.

### VIII. TEACHER EVALUATION

- 8.1 The primary objective of a teacher evaluation is to improve the quality of instruction.
- 8.2 The present formal evaluative instrument of the District is The Professional Personnel Assessment. A teacher, at the time of initial employment, shall be provided with a copy of this document. Whenever the document is revised, the Board shall provide every District teacher with a copy of the revised document. Other than changes required by law, any changes made by the Board in the procedures or instrument located in The Professional Personnel Assessment will be made only after first receiving input from the P.E.A. concerning recommended changes.
- 8.3 The procedure set forth in The Professional Personnel Assessment pertains to the formal evaluation of classroom teacher performance, and nothing therein shall be construed as prohibiting or limiting the normal day-to-day observation and evaluation of a teacher's general performance as a District employee; nor does this procedure in any way limit or constrict the duties of the District to evaluate employees according to state law.
- 8.4 Any grievance filed relative to this Article shall be limited to violations of the specific procedures contained herein and procedures contained in The Professional Personnel Assessment.
- 8.5 The Board and the Association agree to establish a committee made up of representatives in equal number from the administration and Association. This committee shall assess the current evaluation process and make recommendations to the Board and Association to improve the evaluation process. Mutually agreed upon changes shall be incorporated into a revised Professional Personnel Assessment.

The Board, however, shall take no action which shall violate any of the specific provisions of this Agreement.

### **9.3 SAVINGS CLAUSE**

Should any article, section or clause of this Agreement be declared illegal by a court of competent jurisdiction, then that article, section or clause shall be deleted from this Agreement to the extent that it violates the law. The remaining articles, sections and clauses shall remain in full force and effect.

### **9.4 WAIVER OF ADDITIONAL BARGAINING**

The parties hereby acknowledge that the terms and conditions included in this Agreement represent the full and complete understanding between the parties. The Board and Association, for the life of this Agreement, each waive any obligation to bargain collectively with respect to any subject or matter that may or may not have been known to either or both of the parties at the time this Agreement was negotiated or signed and that any bargaining will be limited to a successor agreement, except that with a written mutual consent of both parties, such matters may be discussed and Agreement modified.
