### Additional Notes

1. E-Learning Days. If needed because of bad weather, we will use our 5 e-learning days first. The use of e-learning days does not extend the school calendar.
2. Five emergency days (bad weather days) are built into the Calendar—May 27, 28, 29, 30, June 2. If we use all 5 of our bad weather e-learning days, the 6<sup>th</sup> bad weather day and so forth would be an emergency day which would extend the school calendar. After 5 e-learning days and 5 emergency days are used, on the 11<sup>th</sup> emergency day, we can apply for act of God days which would not have to be made up, thus the calendar would not be extended past June 5.
