Interests or Hobbies: I enjoy spending time with my family and kids. My hobbies are horseback riding, trail riding and ranch sorting, four wheeling, camping and reading when I get time.

Favorite Musical Artist or Band: I enjoy country music.

Why I decided to go into education: I went into education to try and make a difference in the lives of students. I want them to experience science in real life, and instill a lifelong love of learning in students.

What is the Best Part of Being a Teacher at Pawnee? I love the small school atmosphere. Students and co-workers are like a big family. I love that I get to teacher as the same school my own kids attend.
